## Carlin's imagination, judgment have served her constituents well

To the Editor:

Good, better, best. These words seem to dictate what Sydney Carlin has been, what she became and what she is now. She is balanced and nonpartisan, particularly on issues that matter most. She has given time, talent and treasure not only unselfishly but with enthusiasm, intelligence and deliberation. She has used constructive imagination, research and good judgment in finding solutions to problems, and she has made a difference.

Rep. Carlin is not restrained by unnecessary partisan politics, even though she appreciates the fact that politics is sometimes defined as the art of compromise. Additionally, she is not influenced by greed or personal gain. She stands firm on principle. Her position is clear on issues such as quality education at all ages, personal property rights, raising the rebate on food tax refunds and helping end the Kansas estate tax.

Vote for her on Nov. 7.
