Carlin is a superb listener who protects constituents' interests

To the Editor:

Sydney Carlin has done a terrific job as representative of the 66th District in the House of Representatives. We need to have her there for the next two years.

As a former mayor of Manhattan, Sydney had a hands-on approach to local issues and worked tirelessly to see them through to completion. In the 30 years she has lived in Manhattan, she has constantly maintained an interest and a concern for this community.

We have seen this concern for community continue as the center of her attention as a legislator. She addresses the business of the state with this same spirit and hard work. She studies the issues that impact people, and her vote is based on doing what is right for the people she serves.

What I most appreciate about her is her willingness and interest in listening to all sides. Please vote for Sydney Carlin on Nov. 7.
