Carlin a tireless worker on behalf of residents of Manhattan area

To the Editor:

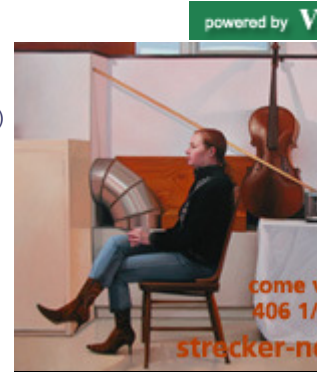

Everyone who has been in this community for a while knows how much Sydney Carlin cares for and how hard she works for the citizens of Manhattan. Those who are new to the area should know that she does work hard for working families that depend on her in the Legislature to protect us from laws that would have detrimental effects on our jobs and families.

She keeps in close contact with her constituents to know what our issues are. Sydney brings years of community experience to this office. She is the person we want representing District 66.

When you go to the polls on Nov. 7, please cast your ballot in support of Sydney Carlin.
