## Keep Carlin; she has shown ability to influence legislators and legislation

To the Editor:

Sydney Carlin is an effective legislator. She has worked for her district, for Manhattan, KSU and Riley County. My direct activities with Sydney have proven her ability to appropriately influence her fellow legislators to approve and pass needed new statutes for criminal prosecution and for children in need of care.

Already twice elected, Sydney Carlin has nevertheless remained an active part of this community, as she promised. Sydney's experience in city government, her terms in the Legislature and her goals for this area clearly demonstrate that this energetic mother of four grown children should be returned to our Statehouse in Topeka on Nov. 7. Keep Carlin.
