Carlin's support of early childhood programs is good for kids, Kansas

To the Editor:

As an early childhood teacher with many years experience teaching pre-kindergarten, Head Start and early childhood special education classes in the Manhattan-Ogden and Geary County school districts, I have seen firsthand that children enrolled in preschool and pre-kindergarten programs do better in school than children who have no school before kindergarten. Sydney Carlin supports early childhood programs and child-care initiatives. We need to support her by voting for her.
