

Congratulations Coach Snyder

Deb Miller, Secretary of Kansas Department of Transportation, Governor Kathleen Sebelius, Representative Sydney Carlin, and Coach Bill Snyder were all smiles at the unveiling of the sign naming a portion of Highway 24 leading into Manhattan and a portion of K177 leading to I-70 as "Coach Bill Snyder Highway." The

Legislature supported the bill introduced by wildcat alum, Representative Ed O'Malley was also sponsored by Rep Carlin and Rep Tom Hawk of Manhattan and every other KSU alum in the Kansas House of Representatives. The Tribute to Coach Snyder is well deserved. Governor Sebelius said, Nobody has had more impact on this school and this state than coach Snyder."
